EPSOM OLD TOWN HALL SET FOR DEDICATION

On May 16th there will be an open house at the Old Town Hall from 2 to 4 pm. At 3:00 there will be a short program about the history of the building, and the presenting of a plaque that officially places the building on the New Hampshire Register of Historic Places. The history will be presented by Carleton Rand, and the Historical Association will have a small display of historical items to view. The Town Hall Restoration committee has dedicated its endeavors towards the completion of the project to the memory of Robert "Bob" Yeaton, whose vision of restoring the hall has come to a reality.

In the last month the Epsom Historical Association has started moving into the old town office space. Larry Fife, Elsie Fife, Harvey Harknes, Carelton Rand and T.J. Rand, moved many of the files and cabinets from the Library to their new location. Many members have spent time in cleaning and painting the office space of our new home. The office will also be open during the hours of the Town Hall open house.
