

Schricker Home, 90 Lord's Mill Road, Epsom, NH

There is no indication of a house on this lot early on, but does appear on the 1858 County Map. At that time it is labeled as A. and C.E. Prescott, which would be Charles E. and his father Asa. It would appear that this is the homestead of Asa Prescott and family sometime after 1811. The land was in the vicinity of McClary's mill and land owners probably took advantage of the timber located on the lot.

The Osgood family in Epsom early on and many of the sons and daughters married and raised families in the town. The house is on the old turnpike road to Northwood, NH.
