REPORT OF THE TRUSTEES OF  
EPSOM PUBLIC LIBRARY

---

We are glad to report that 800 more books were drawn from the Library by our readers in 1950 than in 1949. One new reader asked "How much does it cost me to take a book to read?" Perhaps we should call ourselves "The Epsom FREE Public Library" so that all will know that our Town Library is without cost to all who will use it.

The painting of the building has been completed. The wind damage to the roof has been repaired at the expense of the insurance company.

The Library now has the Epsom Town Reports in bound volumes for the years 1882 to 1949.

With appropriate ceremonies on Memorial Day, the Epsom Women's Club set out on the Library lawn, three white birch trees to the memory of the Epsom boys who gave their lives in the military service of our Country.

The Trustees have been consulting with our school teachers about plans to make the Library facilities more readily available to their pupils. We hope to have branch libraries in the school buildings in the near future; thus, books will be available five days each week of the school year. At present the Library is open only on Saturday afternoons.

We have in mind to place in the Library a locked filing cabinet where those who wish to do so, may place for reference such documents or pictures as pertain to the history of Epsom.

In Winter, our Library is inadequately heated. In cold weather, neither the book-shelves room nor the reading room can be made comfortable. It is a difficult problem which no doubt can be solved if the cost is not prohibitive.

In 1952 we are entitled to a half-century celebration, for our present Library Building was dedicated and opened for service on August 21, 1902.

Respectfully submitted,

HENRY DOWST,  
FLORENCE L. YEATON,  
RALPH E. TOWLE,

Trustees

## REPORT OF THE FOREST FIRE WARDEN

*Forest Fire Prevention Pays Dividends*

Most forest fires are preventable because someone is responsible for them. State records for 1950 show 94% of 632 fires resulted from human perverseness and carelessness. Refusal to secure the required warden permit before burning; failure to use good judgment, lack of equipment and assistance while burning; carelessness in smoking and poorly conditioned woods equipment (trucks, tractors, etc.) resulted in a total of 6,090.6 burned acres with a loss of \$63,949.10 in valuable property.

Fortunately, these human factors can be dealt with because people can be reached. This the local forest fire warden tries to do by informing his fellow citizens that EVERYONE MUST:—

1. Secure a written permit to burn in or near woodlands when the ground is not covered with snow.
2. Use good judgment in burning and have enough equipment and assistance to keep fire under control at all times.
3. Be careful when smoking in or near woodlands and refrain from throwing lighted material from automobiles.
4. Make certain that all equipment used in the woods is in good condition.

His success depends entirely upon public reaction to his appeals. He does his part—the rest depends upon YOU and

YOUR compliance with burning requirements

YOUR care with YOUR fires and YOUR smoking  
and

YOUR care of motive equipment you use in the  
woods.

It all aids, materially, in reaching the desired goal, the  
PREVENTION OF FOREST FIRES — because

PREVENTION PAYS DIVIDENDS!

REPORT OF SUPERINTENDENT  
OF SCHOOLS

---

*To the School Board and Citizens of Epsom:*

The present organization of the schools is as follows:

<i>School</i>	<i>Grades</i>	<i>Teacher</i>	<i>Pupils</i>
Gossville	1, 2	Mrs. Charlotte R. Noyes	27
Gossville	3-5	Mrs. C. Ethel F. Murch	25
Short Falls	6-8	Mr. Wendell C. Taylor	29
Music		Mr. Bertram Colter	
Total			81

Next year's first grade is estimated at 8 pupils. In September 1952, however, the entering class is expected to number around 25. The budget a year from now will undoubtedly have to make provision for another classroom, either by using one of the empty school buildings (on the present site or moved) or finding new quarters. It is hoped that the present arrangement of three grades at Short Falls, introduced October 1 on account of disparity in size of classes, will be temporary; but it seems necessary to continue it for 1951-52.
