## REPORT OF THE TRUSTEES OF THE EPSOM PUBLIC LIBRARY

During the year the activities of the Town Library have been carried on by our Librarian as given in her report.

The administration of Library policy under the direction of your Trustees was carefully studied. The conditions of the several Trust Funds held by the Town Trustees for the benefit of the Library was carefully reviewed. The total of these funds is \$3,900.00.

Early in the fall the Trustees contacted the Principal of the Epsom Central School regarding a gift from the Library of accumulated National Geographic magazines and picture collections, now stored at the Library.

With the assistance of Mrs. Ralph Sanborn of the Exeter Branch Office of the State Library and Miss Marjory Shroud of the State Library, assisted by the local Librarian, your Board of Trustees discarded many of the obsolete, torn and unneeded books and magazines from the shelves.

Dr. Earl K. Holt, Superintendent of the State Hospital and Miss Eileen Dixey, in charge of their Occupa-

tional Therapy program, expressed pleasure in having this reading material for their patients. The State Hospital truck collected the books and magazines.

The Public Library is here to serve you. It is your library, open Saturday afternoon from 2 until 5 o'clock.

#### REPORT OF EPSOM VOLUNTEER FIRE DEPARTMENT

For Year Ending Dec. 31, 1957

Following is submitted the annual report of the Epsom Volunteer Fire Department.

There were the usual run of small fires, with no

damage great enough to report.

A few chimneys burned out with no damage. There were two forest fires which were the main expense of our 1957 fires. I would like to remark that we are badly in need of some forest fire tools.

I want to thank all firemen and citizens for helping to keep our fire loss at such a low level. We are repaid for so doing, not only in saving the expense of the fires but in insurance reductions. Any community with a continual heavy fire loss is a poor risk.

Rather than repeat my reports of previous years, I ask that all citizens read the fire report in your Town Report for the past several years (1956 in particular), and learn how you can keep the fire loss down. Learn the fire dangers, how to call the Fire Department and how the Fire Department can help you with your safety problems.

This is your Department and is as efficient as you make it.

Respectfully submitted,

R. G. WARREN, Chief Epsom Fire Department

## FOREST FIRE PREVENTION IS EVERYBODY'S BUSINESS

New Hampshire faces a continuing challenge in its forest fire problem — 97 percent of all our forest fires being man-caused and preventable — a serious indictment of interest in our own welfare and that of our neighbor. Both the State and the towns are striving diligently to effectively meet the challenge through education of the public to the threat fire presents to our woodlands; by maintaining a well trained corps of wardens and deputy wardens in every community and by providing ample opportunity for all who wish to dispose of unwanted waste materials. Careless and perverseness, however, continue to be the big hurdles.

Thoughtlessly discarded lighted cigars, cigarettes and matches from moving vehicles, by hikers, hunters and fishermen; careless burning of debris during hazardous periods in dangerous locations; illegal burning; improperly extinguished debris, camp and cook fires — all result in serious loss of property, disruption of industry and farm work and unnecessary expenditure of town and state funds.

To meet the challenge successfully, the state, your community and your local forest fire warden need YOUR thoughtful and cooperative effort — The rules are simple.

- 1. Don't burn at home use your town dump and avoid all fire problems.
- 2. If you do burn, be sure to secure a written permit from your local forest fire warden when the ground is not covered with snow. Permits are required for open debris fires, home incinerators, outdoor fire-places and camp fires. Your warden is instructed to permit burning if weather conditions, site and type of burning are safe.

- 3. Be sure that all lighted material cigars, cigarettes and matches are completely out before discarding them. Use ash trays in automobiles.
- 4. Make certain that your debris, camp and cook fires are completely out before leaving them.
- 5. Insist that others be careful and comply with burning requirements.
- 6. Call the warden promptly when fire is detected and aid him to extinguish it.

Remember — the fire you prevent might be the one which could burn YOUR property.

Remember — Forest Fire Prevention is Everybody's Business and our Most Important Undertaking.

#### REPORT OF HEALTH OFFICER

Town of Epsom, N. H. Year Ending December 31, 1957

Several minor communicable diseases, also Scarlet Fever, was reported during the year.

Nearly all of the children of the community received polio immunization sponsored by the State Board of Health. This serum appears to be very beneficial as during the fall or polio season, no cases were noted in this area.

The town dump was cleared and burned and made suitable for disposal purposes. The cooperation of the users of this facility is solicited.

Respectfully submitted,

CLARENCE E. BARTLETT,

Health Officer

All pupils in grades 1-8 have taken the Stanford Achievement Test and the California Test of Mental Maturity this year. The purpose of the testing program is twofold; first, to guide the teachers as to the capacity of learning of the student; second, to determine weaknesses in achievement so that greater emphasis can be given to those aspects of the curriculum which is most needed.

Mr. David Roberts replaced Mrs. Bernice Omand as teacher-principal in grades 7 and 8, Mrs. Omand replaced Mrs. Irene Scribner in grade 6. Mrs. Scribner resigned to accept a position in Barrington.

The numbers expected to enroll in the first grade for the years 1958-1962 are as follows:

To Enter in September in	1958	1959	1960	1961	1962
Number of Pupils	16	26	33	25	25

The school lunch program was extended this year. The program continues to get an excellent rating. The staff remains the same as last year with Mrs. Leonard S. Batchelder, as cook, and Mrs. Helen M. Hurd assistant cook. Meals are planned and prepared according to regulations of the state director of school lunches.

The Parent-Teachers' Association has been actively sponsoring special activities in support of playground equipment. Their interest in the school is appreciated.

I wish to express my sincere appreciation to the School Board, Citizens, and teachers for their cooperation and support during the past year.

Respectfully submitted,

RAMON MARTINEAU, Superintendent of Schools
